Confidential Business Information

Dear Mr. Rogowski:

As indicated in our June 15, 1988 letter, we are now reviewing the "Site Inspection Report for Monsanto Chemical Company, Soda Springs, Idaho" No. TDDF10-8702-06. A preliminary review indicates that the copy of the report which we received from you on June 14, 1988 does not contain pages 26 and 27. Please provide copies of these pages in order to enable us to conduct an adequate review of this report.

Your assistance in this regard is appreciated. Please call if you have any questions.

Very truly yours,

Stephen P. Krchma
